

# Dermostick Triple Action Ointment

An Effective Polyherbal Ointment for the management of common inflammatory and microbial skin conditions.

## **Composition:**

Curcuma longa

Syzygium aromaticum

Beeswax

Shea butter

Vitamin E oil

## **Mechanism of Action:**

The combination of these natural ingredients help to provide relief for a variety of skin conditions.

Curcuma longa and Syzygium aromaticum work together to reduce inflammation and pain by inhibiting the activities of various inflammatory molecules such as cytokines and enzymes such as COX-2 and LOX. Curcuma longa and Syzygium aromaticum also exhibit strong antimicrobial properties by disrupting cell membrane of microorganisms which can lead to cell death.

Beeswax and Shea butter help to soothe and moisturize dry, irritated skin and also promote skin healing and regeneration of skin cells.

Vitamin E oil is a powerful antioxidant that help to protect the skin from damage caused by free radicals, promoting healthy skin. Vitamin E Oil also helps to prolong the shelf life of the ointment.

## **Indications:**

Dermostick Polyherbal ointment can be used to provide relief for a variety of skin conditions including:

- Acne
- Eczema
- Psoriasis
- Tinea infections
- Sun burns
- Rashes due to genital herpes
- Boils
- Minor burns and scrapes
- Insect bites
- Fades dark spots

- Cold sores
  - Balanitis
- Dandruff  
Dry, cracked skin

**Instructions for Use:**

Apply a thin layer of the ointment to the affected area 2 – 3 times a day or as directed by the prescriber. Massage gently into the skin until absorbed.

**Method of Administration:**

For Topical Use Only

**Storage:**

Store in a cool and dry place away from direct sunlight. Do not refrigerate.

Keep out of reach of children

**Caution:**

If you are allergic to any of the ingredients, do not use Dermostick Ointment.

Discontinue use immediately if you experience any irritation or allergic reaction and consult your healthcare provider.

Dermostick ointment may stain cloth due to the yellow colour possessed by Curcuma longa.

**Presentation:**

30g tube
